

Scott A. Roberts

2019 Illustrious Potentate Scott Schuster is proud to announce his appointment of Noble Scott Alan Roberts to the position of Outer Guard of Murat Divan. Scott was born September 21, 1979, to Robin and Ann Roberts of West Terre Haute, IN. After a childhood of success in various sports, actively participating in the Vigo County 4H, he graduated from West Vigo High School in 1998. Family remains a sacred place in Scott's heart where he frequently visits Terre Haute to assist his dad and grandfather on the family farm.

Following high school, he attended Indiana State University in Terre Haute, obtaining a B.S. in clinical exercise physiology. Fresh out of college, Scott began working at Franciscan St. Francis Health in Indianapolis, which led to a 10-year term in various senior leadership roles within the cardiology and radiology service lines. During that time, he was awarded "The Tony and Mary Hulman Health Achievement Award" for innovation and forward thinking within business and industry in the field of preventive medicine. Concurrently, he achieved multiple post-graduate education achievements including a master's degree in business administration; certified Lean Six Sigma from Purdue University, and is a graduate of Notre Dame's Executive Education and Leadership program. Scott then transitioned to Ascension Health, leading strategy and new product development within their 151 hospitals across the United States.

With his background in

healthcare leadership going on 14 years, currently, Scott is the director of Strategic Projects and Business Development at Mainstreet Health. Here, he is responsible for leading the strategy of finance, development, and operations of multiple post-acute care facilities across the United States. In addition, Scott is the founding partner and CEO of Inergi LLC, a population health management and benefits company located in Indianapolis. Constantly wanting to engage, network and grow, Scott also is the co-chair of the Indiana Innovation Mastermind Group and an active member of the American College of Healthcare Executives and Indiana Healthcare Executive Network. Other notable past board member affiliations include the University of Indianapolis Department of Kinesiology as well as Partnership for a Healthier Johnson County.

Fraternally, Scott's family lineage spans across many years of past Masons and Shriners. His

grandfather, William L. Robertson (West Terre Haute #687 and Zorah), great-grandfather, Walker Robertson (West Terre Haute #687 and Zorah), great-great-grandfather, Norm L. Robertson (Prairieton and Zorah), and father-in-law, Allen K. Cooper (Lake Lodge #157, Scottish Rite South Bend, Southlake Shrine Club, and Orak), were all involved in the Shrine within the state of Indiana. But, even with Masonry running in his blood, it took meeting a group of Murat Shriners on a cruise to the Southern Caribbean (Jim Priest's Potentate Cruise) to come to a decision that it was the right time to become part of the family. Scott was raised a Master Mason January 2014 at Calvin W. Prather Lodge #717 and joined the Murat Shrine in January 2015. Scott quickly became active as a Shriner, becoming a Divan Aide and joining several Clubs: 500 Club, Reception Unit, Antique Tractor Club and ROJ. In addition to these activities in 2019, Scott will serve as the Murat Membership Chair.

While at Indiana State, Scott met his wife Janine and has been married since 2010. Lady Janine also leads a career in healthcare, making for some good dinner discussions. Active in many philanthropic organizations herself, she shares the vision of inspiration and giving back. Noble Scott and Lady Janine reside on the southside of Indianapolis with their two dogs, Ticket and Choppers. They look forward to new opportunities and continue to have fun with purpose and continue to contribute to the Shriners Hospitals for Children.
